**Elanor**

**ABOUT :**

Elanor is a serif typeface inspired by Retro '70s fonts mixed with Experimental touches. Its main features are a diagonal stress and soft curved teardrop shape terminals. It has ligatures that make it more elegant and grotesque elements that give it a modern look and make it more versatile. This typeface both impressive at display sizes and easily readable in text size, while the sharp shapes of the triangular serifs and the distinctive letter shapes show their strength in logo design and impressive editorial use.

Elanor come with elegant style, Retro and contrasts, with features an extended latin character set of 555 glyphs covering over 94 languages, Latin & Cyrillic. Elanor is ready to making your projects looking classic but contemporary, finely tuned but assertive, and elegant as the best retro design.
